

Jewel Sanitary Napkins

HELP STOP THE SILENT SUFFERING!

The campaign has become the voice of the silent suffering and Jewel has become the healthier alternative.

Benefits of Supporting Your Organization

- Helps support the organizations mission
- Helps raise community awareness
- Helps them reach their financial goals
- Helps protect women and young girls

Nobel Prize Winning Graphene Material

Jewel has an Innovative design that is made with a strip infused with Nobel Prize Winning material “Graphene”.

The infused Graphene strip may provide various health benefits that potentially:

- Help relieve painful abdominal cramps
- Help balance the body's PH
- Help Eliminate harmful bacteria
- Help with aroma
- Help fight fatigue
- Boost metabolism
- Boost Immune system
- Graphene moves heat away from your core and contains vibrational energy
